Old Business:

We received a Letter regarding the 2020 Nationals.

Have we decided on a list of club delegates, so conference calls in the near future to discuss division leadership:

Need Club Delegates for:

Division Chair

Show Chair

Division Secretary

Division Treasurer.

I would like to have my name submitted for this position (Brinda)

Mark Davenport

**Linda and Susan are both our Delegates
and will be on the phone with these meetings**

We really need to discuss this venue for 2020.

The venue that Lynda wants us to look at is in Chicago Il., vs Huron, Ohio where the last National was held for our division.

Pros Sawmill

Sawmill went to the extra expense to add electric for RV parking.

We have a tentative contract with them, but not confirmed.

We have lots of grass to walk dogs

we have a overflow hotel if needed

It's about a 2-3 hour drive for some of us

Cons New location

16 floors with only 2 elevators

7 hour drive for some of us

No grass, obedience and Rally will have to go some distance away from the show grounds

No overflow hotels that we know of yet.

A study is to be performed showing the pros and cons of both of these locations.

and will be brought up at the next 2020 National meeting.

Also no decision was made on the Supported Entry for -Dan Emmett Kennel Club.

Dates are July 27th & 28th, 2018 or July 26 & 27, 2019.

This would be in conjunction with the Marion Kennel Club in Marion Ohio

Need to inquire as to if we can be a part of picking the Judges

Are we to supply trophies, or will the All Breed Club.

Are we paid 1.00 per dog to support the Entry to this club?

Suggestions for 2018 Show.

After speaking with one of Cleveland's members they are wanting to do both obedience and rally 1st thing in the morning, This would have to start at 8:00 AM on Thursday and be completed by Conformation show time.

We as the club I believe, was for the 4-6 Puppies being at our show and will come into the ring after Sweeps are done, but before Regular Judging Starts.

The Regular Judge will be judging this class, so we really need to look at Judges that have a soft hands with puppies.

It was noted in the Catalog by the Cleveland club, their trophies, and who was the sponsor of that trophy.

I believe that we should add 1 page for each day giving the trophies being donated, and who is donating them.

I also noticed that there was a flyer in the Catalog regarding decorating your ring side tents. This is on our day, and this was not even discussed with our club about doing this.

I believe that there should be a discussion regarding this, as we can never determine the weather, and the blowing of items hanging on tent can effect all the dogs showing.

If at all possible, what would our club think about casual day for both days of our show, since it either rains or is blistering hot?

SHOW TRAILER

This is the last year I will be storing the trailer.

Insurance is still on trailer, but once it leaves my possession, it will be cancelled from my policy, any refund on that I will send to Mark, it will need to have a 3,000.00 contents and trailer coverage, along with the rider on the vehicle that will be pulling it.

Has not been determined yet as to where the trailer will be going after the show.

Website.

I did send a message to Amy regarding how to link the Premium list, but never received a response.

Suzi, will need to take care of this for our club.

nothing done, and nothing was put up for the 2017 show.

New business:

Email from Wanda Golden "Great Dane Club of Lehigh Valley"

Advertising show of Aug. 4, and 5, 2017

at:

Charles Chrine Community Center of Palmer
